

ST JOHN'S COLLEGE

CO-CURRICULAR AND EXTRA CURRICULAR PROGRAMS

Co-curricular and extra-curricular activities at St John's College aim to enhance the academic, artistic, cultural, sporting, and personal pursuits of all students. Participation in diverse range of activities are an important part of a wholistic educational program. At St John's College we also offer student leadership programs to provide our students with support and training in the important work of leading others.
